

Remembering Ashley 5K Run/Walk

October 10th 2010 at 10 AM

Ashley Brooks
1982-2005

It has been five years.

"Sometimes I cry..."

Ashley fought bulimia and anorexia for over two years, with the support of her family and friends. In memory of her courage and strength, *Remembering Ashley* seeks to support other young people who suffer from eating disorders. We will forever miss Ashley in our lives, and seek to honor her memory by helping others.

Please join us as we remember Ashley's 28th birthday with a 5K walk/run through the neighborhood (starting at Laird Park at 10 AM).

Birthday cake will be served at the Finish Line!

Donations may be made to "Remembering Ashley" in her honor.
